

## **Do you have questions about Long-Term Insurance?**

**Long-Term Care Insurance can play a very important role in planning for your future. It not only can provide you with the freedom of choice with your assisted care, it can protect family members from having to pay for your long term care, and can also allow you to keep your hard-earned assets.**

**The best time to buy Long-Term Care Insurance is generally in your 50's or 60's, as you are less likely to develop a condition that could disqualify you from getting coverage.**

**While we understand the importance of Long-Term Care Insurance for many individuals, we also understand that Long-Term Care Insurance can be very confusing.**

**With that being said, we felt it was important to provide you with some valuable information. In our search, we have found a very helpful booklet written by the Kansas Insurance Department titled ["Kansas Long-Term Care Insurance"](#).**

**Whether you are interested in Long-Term Care Insurance for yourself, or for someone else, [read this booklet](#) to learn more, then give us a call or stop by. We have many companies to choose from, and we will go over all of the options that are available and help you design a plan that can fit your budget.**
