## Stay in Touch!

As your insurance partner, we want to make sure we can contact you and your family in the event of an emergency. In addition to your home address and all phone numbers, we'd like to have your e-mail addresses on file as well. You can update your records by calling 785-284-3435, toll free at 888-736-2265, or email us at [custserv@saylorinsurance.com](mailto:custserv@saylorinsurance.com).

Also, it is very important to contact us if you have made any changes or additions to your home, farm, or business, or have a newly licensed driver in the household, as this can affect your insurance coverage.

We are here for you! Let us know if we can help you in any way.

Thank you for being a valued partner with Saylor Insurance!

P.S. If you are not yet a valued partner with Saylor Insurance, we invite you to become one and experience the difference! Contact us to see how much you can save without having to reduce coverage! Let Saylor Insurance do the shopping for you through our multiple companies, and let us *"Insure your Present and Protect your Future"*!
